**Seals:** [vgwyn@caisterinfant.org.uk](mailto:vgwyn@caisterinfant.org.uk)

**Literacy**

Listen to our daily stories on tapestry.

There is a lovely bird story here 'King of The Birds' [Bird Watching Day | EYFShome.com](#) that you can watch!

**Communication and Language**

Can you go on a listening walk? This can be in your house, in the garden or even on your daily exercise.

What things can you hear? Can you hear different things in different places? Are the noises different in your bedroom from the kitchen? Or even different in your garden from on the beach?!

Can you hear any birds?

**Maths**

Can you play a counting game? Have an adult give you an instruction, for example, touch your nose after 3.

The adult and you can count up from 1-3 and then you can do the action! Don't forget to wait!

Can you do lots of instructions? Jump, hop, touch your feet, turn around etc.

You can even count how many of the instruction you do but only go up to 3!

Once you have completed some instructions by counting up to 3 you could try counting backwards from 3. It will mean you will have to wait to do your instruction until the adult says 1!

**Personal, Social and Emotional Development**

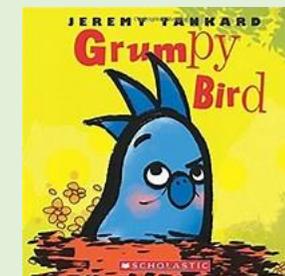

Watch the story 'Grumpy Bird'.

<https://youtu.be/YNlyN4wZcCw>

Can you think of how the other animals felt in the story?

Can you copy the actions Bird gives the other animals?

How do you think the animals were feeling at the end of the story?

**Nursery**

**Expressive Arts and Design**

Can you make a bird feeder?

You will need, an empty clean milk carton (or juice carton), string, paint, scissors, paint brush and bird seed.

Here is a link to a video to help give you some ideas.

[Bird Watching Day | EYFShome.com](https://www.youtube.com/watch?v=K1qchKPnA)

**Physical Development**

Can you make some binoculars or telescopes to help you look for some birds?

You will need: 2 toilet roll tubes, glue, card, scissors and string. You can use what items you have at home to decorate your binoculars!

Once you have made your binoculars or telescopes go on a bird watching walk or even use them to look for birds out of your window.

**Understanding of The World**

Can you make a bird cake to feed the birds?

Let's get messy! You will need: some lard, bird seed and disposable gloves. You could use bread, unsalted peanuts, dried mealworm and raisins if you have any.

You can watch the video to give you an idea of how to make one.

**Well-being**

Can you follow the breathing cards that are attached- remember when we breath in and out?!

Can you do the Cosmic Yoga about Nelson the Pigeon.
