

<b>Reception</b>	<b>Date: Week beginning: 11.01.21</b>
<p>This is a guide to what we will be covering in school this week. If your child is having to self-isolate but is well enough to work please help them to complete a range of work from the subjects below. Don't forget to upload photos of work/videos/comments to Tapestry.          If you have any questions about home learning please contact your child's class teacher by emailing them:</p>

<p style="text-align: center;"><b>Literacy</b></p> <p>This week we would like you to focus on writing sounds named.</p> <p>Have a speed write: call out a sound and see if your child can remember how to form it independently. You might like to time this and see how many sounds they can form correctly in a set time then see if they can beat their record!</p>	<p style="text-align: center;"><b>Phonics</b></p> <p>Play Odd and Bob, <a href="#">Odd And Bob (Phase 2) - Online Phonics Game (phonicsbloom.com)</a>          The green alien Odd loves fake words and Bob only likes real words. Feed the words to the correct aliens to make them happy.</p> 	<p style="text-align: center;"><b>Communication and Language</b></p> <p>We invite you to listen to story time King of the Birds, available here: <a href="#">Bird Watching Day   EYFShome.com</a>          there is also a range of related activities too!          We particularly liked the binoculars and bird feeder tasks.</p>	<p style="text-align: center;"><b>Personal, Social and Emotional Development</b></p> <p>In Life Skills this week we are discussing the feeling of scared or afraid. Talk about what a scared face looks like and times when we might feel afraid.          You can find a comprehensive list of books about specific fears here: <a href="#">Have No Fear! The Best Books for Kids With Anxiety — Happily Ever Elephants</a></p>
<p style="text-align: center;"><b>Maths</b></p> <p>This week we are focusing on numbers 6, 7 and 8.</p> <p>Can you show these in different ways? Such as using objects or on your fingers.          Can you practice drawing amounts for each number?          Can you notice these numbers anywhere at home? TV remote, page numbers etc.          Can you practice the number formation?</p>	<p style="text-align: center;"><b>Physical Development</b></p> <p>Complete a Cosmic Yoga routine: <a href="#">Kids Yoga That Celebrates Our Differences (YouTube)</a>  <a href="#">Yoga Club (Week 22)   Cosmic Kids - YouTube</a>          or  <a href="#">Betsy the Banana   A Cosmic Kids Yoga Adventure! - YouTube</a></p> 	<p style="text-align: center;"><b>Understanding of the World</b></p> <p>Can you find out about the four different seasons?          What season are we in now?          Which season comes next?          Perhaps you could look for signs of the season from your window or in your garden.          Which season is your favourite and why?</p>	<p style="text-align: center;"><b>Expressive Arts and Design</b></p> <p>We would like you to learn how to draw a detailed drawing.          Can you draw a common UK garden bird?          Remember to:          draw in pencil first          carefully draw the features          neatly colour inside the lines</p>
