Queen Elizabeth II 1926 - 2022

Dear All

Some of you perhaps have already heard the very sad news that Queen Elizabeth II has died. This is a very significant moment in British History, and we know this will affect everyone in our school community who will feel a sense of loss. We will of course spend some time reflecting with the children.

It is expected that children will attend school as usual through the public mourning period, although it is our understanding that there will be a public holiday for the day of the funeral in which schools will be closed. We will of course keep you updated when this is confirmed.

Welcome back!

'The best way to predict the future is to create it.'

I wish you a warm welcome back to school and hope you have had an enjoyable summer holiday. We are so excited when we think of the endless number of amazing opportunities that will come our way this year. We are so happy to be on this journey with you and your family.

The children continue to amaze us with how well they are settling into their new classes, year groups and new routines.

I would like to extend a special welcome to our new children and their families. I am confident that the children will flourish with the excellent partnerships between home and school and the care and commitment of our staff team. Should you have any worries or concerns, no matter how small, please do not hesitate to contact school to arrange to speak with your child's class teacher, our Pastoral Team, Mrs Wright & Mrs K Bradley, or myself and Mrs Walker - there will always be someone who can help.
