Dear Families,

We are really looking forward to welcoming you to our upcoming Christmas performances. Because of fire regulations and capacity in the hall, we will only be able to allow **two adults per family** to join us. **We will not be allowing photos or videos to be taken during the performance** for legal reasons. You will be able to take a photo of your child at the end of the performance in their costume if you wish.

## Speed Stacking

We had two groups of children really enjoying speed stacking this week! They met with other schools to develop their skills in hand eye coordination and motor skills.
