Dear Families,

**Lots of information this week – we have a very busy few weeks in school coming up!**

## Christmas performances

For safety reasons we will not be allowing any photos or videos during this year's performances. You are welcome to take a photo of your child at the end of the performance. Whilst I realise that this may be disappointing, safeguarding is our number one priority, and this precaution is taken for legal reasons related to some of our children in school.

## Christingle

Next week we will be walking to the church on Friday afternoon for our annual Christingle celebration. The children will need to have wellies and a warm coat please and be collected from the church at approximately 3.00pm. We recommend they bring their lunch in something that they don't need over the weekend as we don't want to carry things to

the church. They can leave their school shoes at school and change back to them when they arrive Monday morning.

We would like to welcome year 6 parents to join us for this service.

## Christmas Party

Thursday 14<sup>th</sup> December is Christmas party afternoon. The children are welcome to bring a party outfit to change in to after lunch. Please collect them at the slightly later time of 3.30pm so that there is a bit of extra time for a special visitor!

Nursery children not usually attending on a Thursday to arrive at 12.45pm please.

We had a truly wonderful time ice-skating! The children all had smiles on their faces and demonstrated some very impressive skating skills. It was lovely to see all the children helping each other and encouraging their friends.
