Dear Families,

A massive thank you for all your support and encouragement with Rollesby's Ofsted Inspection. We are looking forward to sharing the report with you as soon as it becomes available. The staff were extremely touched by your best wishes and words of thanks and appreciation.

As always, if you ever have any concerns, please contact your child's class teacher or myself and we will always be happy to help you. [hos@rollesbyprimary.org.uk](mailto:hos@rollesbyprimary.org.uk)

## Clip and Climb

Year five had a fantastic time testing their climbing skills out last Friday. We were so impressed with them all. Some children were extremely proud of themselves having overcome their fears.

## Science and Climate Fayre

The Science and Eco Ambassadors did a fantastic job Wednesday afternoon leading a series of science investigations. There were investigations exploring water pressure, air pressure and how colour impacts our eyes, amongst many others! We hope the parents who were able to join us had a brilliant time too!

## Norfolk Autism Acceptance Week

We have been doing lots of celebrating, learning, and talking about neurodiversity this week for Autism Acceptance Week. The children across the school enjoyed designing their own infinity symbols to represent diversity and inclusion. We really enjoyed our British Sign Language lesson on Wednesday and some of the children showed off what they had learnt in this week's celebration assembly. We learnt a new song called 'Let it Shine' which we have loved singing. *You can hear it here -> [Let me shine: a song for World Autism Awareness Day 2017. Please share. \(youtube.com\)](#)*

22 March 2024

We will continue to talk about differences and celebrate successes and the superpowers of individuals with autism and other neurodiversity. We have discussed the importance of being kind, mindful and considerate to all.

## Quidditch

Some of our KS2 children had a fantastic time playing Quidditch at East Norfolk Sixth Form on Thursday afternoon. They listened extremely well, supported each other as a team and most importantly had fun! Thank you, Mrs Howlett, for organising this event.
