

Physical Education – Early Years Foundation Stage and The National Curriculum

By the end of each Key Stage, children are expected to:

EYFS	KS1	KS2
<p><b>Early Learning Goals:</b></p> <p><i>Moving and Handling:</i> Children show good control and co- ordination in large and small movements. They move confidently in a range of ways, safely negotiating space. They handle equipment and tools effectively, including pencils for writing.</p> <p><i>Health and Self-care:</i> Children know the importance for good health of physical exercise, a healthy diet and talk about the ways to keep healthy and safe. They manage their own basic hygiene and personal needs successfully, including dressing and going to the toilet independently.</p>	<p>Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others. They should be able to engage in competitive (both against self and against others) and co- operative physical activities, in a range of increasingly challenging situations.</p> <p><i>Pupils should be taught to:</i></p> <ul style="list-style-type: none"> <li>• master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities</li> <li>• participate in team games, developing simple tactics for attacking and defending</li> <li>• perform dances using simple movement patterns</li> </ul>	<p>Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. They should enjoy communicating, collaborating and competing with each other. They should develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success.</p> <p><i>Pupils should be taught to:</i></p> <ul style="list-style-type: none"> <li>• use running, jumping, throwing and catching in isolation and in combination</li> <li>• play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounder’s and tennis], and apply basic principles suitable for attacking and defending</li> <li>• develop flexibility, strength, technique, control and balance [for example, through athletics and gymnastics]</li> <li>• perform dances using a range of movement patterns</li> <li>• take part in outdoor and adventurous activity challenges both individually and within a team</li> <li>• compare their performances with previous ones and demonstrate improvement to achieve their personal best</li> </ul>

Athletics	Overview	Key Skills		Assessment
Y1	Pupils will develop skills required in athletic activities such as running at different speeds, changing direction, jumping and throwing. In all athletic based activities, pupils will engage in performing skills and measuring performance, competing to improve on their own score and against others. They are given opportunities to work collaboratively as well as independently.	Physical	Running at varying speeds, agility, balance, running over obstacles, jumping, hopping and leaping in combination and for distance, throwing for distance	<ul style="list-style-type: none"> <li>• I am beginning to link running and jumping movements.</li> <li>• I can run at different speeds.</li> <li>• I am beginning to show balance and co-ordination when changing direction.</li> <li>• I understand the difference between a jump, a leap and a hop and can choose which allows me to jump the furthest.</li> <li>• I am developing over arm throwing.</li> <li>• I am able to throw towards a target.</li> <li>• I can work with others and make safe choices.</li> <li>• I can recognise changes in my body when I do exercise.</li> <li>• I try my best.</li> </ul>

		Emotional	Working independently, determination	
		Thinking	Exploring ideas, observing and providing feedback	
Y3	Pupils will develop basic running, jumping and throwing techniques. They are set challenges for distance and time that involve using different styles and combinations of running, jumping and throwing. As in all athletic activities, pupils think about how to achieve their greatest possible speed, height, distance or accuracy and learn how to persevere to achieve their personal best. Pupils are also given opportunities to measure, time and record scores.	Physical	Sprinting, running over obstacles, jumping for distance and height, push and pull throw for distance	<ul style="list-style-type: none"> <li>• I can use key points to help me to improve my sprinting technique.</li> <li>• I can take part in a relay activity, remembering when to run and what to do.</li> <li>• I am developing jumping for distance and height.</li> <li>• I can use different take off and landings when jumping.</li> <li>• I can throw a variety of objects, changing my action for accuracy and distance.</li> <li>• I can work with a partner and in a small group, sharing ideas.</li> <li>• I can identify when I was successful.</li> <li>• I understand why it is important to warm up.</li> </ul>

Badminton	Overview	Key Skills		Assessment
Y5	Pupils focus on developing the skills they need to play continuous rallies in badminton. They will learn about the ready position, racket control, serving and hitting over a net and how to use these skills to make the game difficult for their opponent. In all games activities, pupils have to think about how they use skills, strategies and tactics to outwit the opposition. Pupils will be given the opportunity to work collaboratively with others. They will understand the importance of abiding by rules to keep themselves & others safe. Pupils will develop character and control through engaging with coping strategies when exposed to competition and will be given the opportunity to take on the role of referee. Ball Skills	Overview	Key Skills		Assessment
EYFS	Children will develop fundamental ball skills such as rolling and receiving a ball, throwing to a target, bouncing and catching, dribbling with feet and kicking a ball. Children will be able to develop their fine and gross motor skills through a range of game play using a variety of equipment. Children will be given opportunities to work independently and with a partner and will develop decision making and using simple tactics.	Physical	Rolling a ball, stopping a rolling ball, throwing at a target, tracking a ball, bouncing a ball, dribbling a ball with feet, kicking a ball	<ul style="list-style-type: none"> <li>I am confident to try new activities.</li> <li>I ask for help if needed.</li> <li>I can handle equipment effectively.</li> <li>I can move confidently in a range of ways.</li> <li>I can safely negotiate space.</li> <li>I can show good control and co-ordination in small and large movements.</li> <li>I can talk about ways to keep healthy and safe.</li> <li>I know the importance for good health and physical exercise.</li> <li>I am sensitive to others' feelings.</li> <li>I play co-operatively, taking turns.</li> <li>I can talk about my own ideas and use them in response to a task.</li> <li>I understand and follow rules.</li> </ul>
		Social	Co-operation, supporting others, sharing and taking turns	
		Emotional	Honesty, perseverance, determination	
		Thinking	Using tactics, decision making	
Y1	Pupils will explore their fundamental ball skills such as throwing and catching, rolling, hitting a target, dribbling with both hands and feet and kicking a ball. Pupils will have the opportunity to work independently, in pairs and small groups. Pupils will be able to explore their own ideas in response to tasks.	Physical	Rolling, kicking, throwing, catching, bouncing, dribbling, tracking	<ul style="list-style-type: none"> <li>I am beginning to catch with two hands.</li> <li>I can roll and throw with some accuracy towards a target.</li> <li>I can track a ball that is coming towards me.</li> <li>I am beginning to dribble a ball with my hands and feet.</li> <li>I can work co-operatively with a partner.</li> <li>I can say when someone was successful.</li> <li>I can recognise changes in my body when I do exercise.</li> <li>I am beginning to understand simple tactics.</li> </ul>

Basket ball	Overview	Key Skills		Assessment
Y3	Pupils will be encouraged to persevere when developing competencies in key skills and principles such as defending, attacking, throwing, catching and dribbling. Pupils will learn to use attacking skills to maintain possession of the ball. They will start by playing uneven and then move onto even sided games. Pupils will understand the importance of playing fairly and keeping to the rules. They will be encouraged to think about how to use skills, strategies and tactics to outwit the opposition as well as learn how to evaluate their own and others' performances, and how to identify a focus for improvement. Cricket	Overview	Key Skills		Assessment
Y3	Pupils learn how to strike the ball into space so that they can score runs. When fielding, they learn how to keep the batters' scores low. In all games activities, pupils have to think about how they use skills, strategies and tactics to outwit the opposition. In cricket, pupils achieve this by striking a ball and trying to deceive or avoid fielders, so that they can run between wickets to score runs. Pupils are given opportunities to work in collaboration with others, play fairly demonstrating an understanding of the rules, as well as being respectful of the people they play with and against. EYFS		Thinking	Counting, observing and providing feedback, selecting and applying actions	
Y1	Pupils will explore travelling actions, movement skills and balancing. They will understand why it is important to count to music and use this in their dances. Pupils will copy and repeat actions linking them together to make short dance phrases. Pupils will work individually and with a partner to create ideas in relation to the theme. Pupils will be given the opportunity to perform and also to provide feedback, beginning to use dance terminology to do so. Y2	Pupils will explore space and how their body can move to express an idea, mood, character or feeling. They will expand their knowledge of travelling actions and use them in relation to a stimulus. They will build on their understanding of dynamics and expression. They will use counts of 8 consistently to keep in time with the music and a partner. Pupils will also explore pathways, levels, shapes, directions, speeds and timing. They will be given the opportunity to work independently and with others to perform and provide feedback beginning to use key terminology. Gymnastics	Overview	Key Skills		Assessment
EYFS	Children explore basic movements, creating shapes, balances, jumps and rolls. They begin to develop an awareness of space and how to use it safely. They perform basic skills on both floor and apparatus. They copy, create, remember and repeat short sequences. They begin to understand using levels and directions when traveling and balancing.	Physical	Shapes, balances, jumps, rock and roll, barrel roll, straight roll, progressions of a forward roll, travelling	<ul style="list-style-type: none"> <li>I am confident to try new activities.</li> <li>I ask for help if needed.</li> <li>I can handle equipment effectively.</li> <li>I can move confidently in a range of ways.</li> <li>I can safely negotiate space.</li> <li>I can show good control and co-ordination in small and large movements.</li> <li>I can talk about ways to keep healthy and safe.</li> <li>I know the importance for good health and physical exercise.</li> <li>I am sensitive to others' feelings.</li> <li>I play co-operatively, taking turns.</li> <li>I can talk about my own ideas and use them in response to a task.</li> <li>I understand and follow rules.</li> </ul>
		Social	Co-operation, taking turns, communication	
		Emotional	Confidence, determination	
		Thinking	Selecting and applying skills, creating sequences	
Y1	Pupils learn to use space safely and effectively. They explore and develop basic gymnastic actions on the floor and using low apparatus. Basic skills of jumping, rolling, balancing and travelling are used individually and in combination to create movement phrases. Pupils are given opportunities to select their own actions to build short sequences and develop their confidence in performing. Pupils begin to understand the use of levels, directions and shapes when travelling and balancing. 		Social	Sharing equipment, working safely	

	Pupils develop an awareness of compositional devices when creating sequences to include the use of shapes, levels and directions. They learn to work safely with and around others and whilst using apparatus. Pupils are given opportunities to provide feedback to others and recognise elements of high quality performance.	Emotional	Confidence, independence	<ul style="list-style-type: none"> <li>I am beginning to provide feedback using key words.</li> <li>I can work safely with others and apparatus.</li> <li>I can use shapes when performing other skills.</li> <li>I can use directions and levels to make my work look interesting.</li> </ul>
Y3	Pupils focus on improving the quality of their gymnastic movements. They are introduced to the terms 'extension' and 'body tension.' They develop the basic skills of rolling, jumping and balancing and use them individually and in combination. Pupils develop their sequence work, collaborating with others to use matching and contrasting actions and shapes and develop linking sequences smoothly with actions that flow. Pupils develop their confidence to perform, considering the quality and control of their actions.	Physical	Individual point and patch balances, straight roll, barrel roll, forwards roll, straight jump, tuck jump, star jump, rhythmic gymnastics	<ul style="list-style-type: none"> <li>I can choose actions that flow well into one another.</li> <li>I can adapt sequences to suit different types of apparatus.</li> <li>I use a greater number of my own ideas for movements in response to a task.</li> <li>I can choose and plan sequences of contrasting actions.</li> <li>I can complete actions with increasing balance and control.</li> <li>I understand the benefits of exercise.</li> <li>I can provide feedback using key words.</li> <li>With help, I can recognise how performances could be improved.</li> <li>I can move in unison with a partner.</li> </ul>

		Thinking	Observing and providing feedback, selecting and applying skills, evaluating and improving	
Y4	Pupils create more complex sequences. They learn a wider range of travelling actions and include the use of pathways. They develop more advanced actions such as inverted movements and explore ways to include apparatus. They will demonstrate control in their behaviour to create a safe environment for themselves and others to work in. They work independently and in collaboration with a partner to create and develop sequences. Pupils are given opportunities to receive and provide feedback in order to make improvements on their performances. In gymnastics as a whole, pupils develop performance skills considering the quality and control of their actions. Y5	Pupils create longer sequences individually, with a partner and a small group. They learn a wider range of actions such as inverted movements to include cartwheels and handstands. They explore partner relationships such as canon and synchronisation and matching and mirroring. Pupils are given opportunities to receive and provide feedback in order to make improvements on their performances. In Gymnastics as a whole, pupils develop performance skills considering the quality and control of their actions. Hockey	Overview	Key Skills		Assessment
Y3	Pupils will learn to contribute to the game by helping to keep possession of the ball, use simple attacking tactics using sending, receiving and dribbling a ball. They will start by playing uneven and then move onto even sided games. They will begin to think about defending and winning the ball. Pupils will be encouraged to think about how to use skills, strategies and tactics to outwit the opposition. Pupils will understand the importance of playing fairly and keeping to the rules.
