Maths

Look at the picture below, can you count the leaves? What else can you see in the picture? How many ladybirds are there? How many spots do the ladybirds have? How did you count them? Did you need to count each spot? Can you count by looking, without counting each one?

Personal, Social and Emotional Development

Think of a person that you really like or even love. Can you make them a Valentines card? You could even make them a little gift? I can't wait to see what cards and gifts you make!

Can you send your cards and gifts to your loved ones or doorstep drop them?

Remember the importance of making marks?! Let's strengthen those hand muscles! If you have some play dough at home (or a squishy toy / teddy) do some dough disco together!

Our mark this week is going to be **crosses**.

Can you draw as many crosses as you can? Where can you make your marks this week? Try being really angry when you make the crosses- sometimes this makes it easier to make crosses.

Don't forget to show us where you make these marks on Tapestry!
