### English

Year Two, Mr Williams needs your help!

He absolutely loves pancakes and would really like to make some on Shrove Tuesday but he doesn't know how.

Please can you write him a list of instructions on how to make pancakes. You will need to include imperative (or 'bossy') verbs like 'put', 'mix' and 'pour' as well as time connectives like 'first', 'next', 'then', 'after that', 'meanwhile' and 'finally'.

### Phonics

We will still focus on Set 3 sounds this week. Please find Set 3 sounds at the bottom of this learning grid.

We would like all children to access daily RWI sessions, available at 09:30am for 24 hours on YouTube.

<https://www.ruthmiskin.com/en/find-outmore/parents/>

### Reading

We would like children to be reading at least three times a week at home. This can be written in your yellow reading record.

You can access e-books here

<https://home.oxfordowl.co.uk/reading/>

You may like to visit the Virtual School Library, brought you by Oak National Academy in partnership with the National Literacy Trust.

You can find this resource here:

<https://library.thenational.academy/>

Every week a popular children's author or illustrator will provide you with free books,

### Spellings

We will look at the '-ly' suffix this week.

slowly	brightly
lovely	quietly
quickly	shyly
sadly	cleverly
strangely	sweetly

### Daily - Look, Cover, Write, Check

- Can you write them within a sentence?
- Can you write them out of order?
- Spend 5-10 minutes every day practicing them.

Please also keep writing the year 2 common exception words daily-chart at the end of this learning information.

### Handwriting

Our join of the week is 'ly'

Practice joining these letters together. You can use your spelling words to help you with this join.

Try writing the words within sentences.

***Our morning Teams session on Tuesday 9<sup>th</sup> February will be handwriting so please ensure you have a pencil, paper and playdough to hand.***

### Maths

Please use this link to watch some videos about division and sharing:

<https://whiterosemaths.com/homelearning/year-2/spring-week-3-number-multiplication-and-division/>

Like last week you will need to collect some items. These can be anything like pasta, pens, cars etc.

Use family members or toys/bears to share the objects equally between. How many does each person get each? What happens if there are some left over?

Here are some games you could play online:  
<https://pbskids.org/curiousgeorge/busyday/dogs/>

### Science

#### Test materials for a waterproof coat

Collect various recycled materials that you could use to make a new coat for Joseph (cardboard, plastic, tin foil, paper, kitchen roll, fabric). It must be waterproof. How can you find out which material is the most suitable?

Make a prediction for which material you think will be most waterproof.

One by one, hold your materials over a bowl and pour or spray a small amount of water onto the top of them. Make sure you use the same amount of water on each material to make it fair. Look closely, can you see if the water is soaking into the material or rolling off?

Record what happens to each material. Were your predictions correct? Which material would be best for a waterproof coat?

Now you know what materials are waterproof can you evaluate your dream coat design from last week. Would you change anything about your design?

### Music

#### Rock Steady Sessions

Rocksteady will be providing free live stream online music sessions for children to be part of, called 'Feel Good Fridays'.

This session will be streamed via Teams 1.30-2.00pm each Friday. Please look out for the invite to this via your child's 365 account.

Band Leader Tommy will cover:

- **Rocking Rhythms:** Tommy kicks off his first week teaching KS1 with a game to help the children with their rhythm work. Can they recognise, repeat and 'rock' the rhythms?
- **Traffic Light Game:** The children will learn how to internalise the beat in this fun game. When the light is green, they count out loud, and when the light is red, they have to count in their head... will they be able to keep up?
- **Three Little Birds:** Tommy will start to teach the children this wonderfully upbeat Bob Marley song. He will also show them how to sign it using Makaton sign language.
- **One-Man Band:** We finish off with a treat. Tommy will show the children his skills on the different instruments with a performance of a song they will love!

### Religious Education

Lent is a season in the Christian calendar that takes place between Shrove Tuesday (16<sup>th</sup> February) and Easter.

***Christians are a group of people who live all over the world. They believe that God made the world and that he sent his son, Jesus, to Earth. Their special book is called The Bible and they go to Church to listen to stories about God.***

### D & T

Pancake day is coming up on the 16<sup>th</sup> so practice your pancake making skills. Pancake day was created as a way to use up rich foods like eggs, milk and sugar before the fasting of Lent.

What toppings do you have on your pancakes? Lemon and sugar? Chocolate spread? Golden syrup? Berries and yoghurt? Or maybe you have savory pancakes? We'd love to see you making pancakes and all the different toppings you use. Make sure you upload some pictures to Tapestry for us to see.
