

Reception

Date: Week beginning: 01.03.21

This is a guide to what we will be covering in school this week. If your child is having to self-isolate but is well enough to work please help them to complete a range of work from the subjects below. Don't forget to upload photos of work/videos/comments to Tapestry.

If you have any questions about home learning please contact your child's class teacher by emailing them:

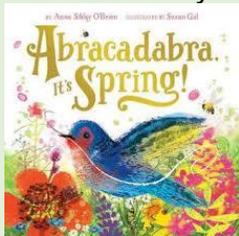

Jellyfish class: ewelton@caisterinfant.org.uk

Pufferfish class: hwells@caisterinfant.org.uk

Seahorses class: jlonghurst@caisterinfant.org.uk

Literacy

Our book this week is *Abracadabra it's Spring!* Watch Mrs Wells read this story to you.

Discuss when in the year the story is set. Can you find any rhyming words?

Phonics

Remember to practice your sounds every day, focusing on ones that you are less confident with.

Try out this online phonics game: [Spooky Sounds \(ictgames.com\)](http://Spooky Sounds (ictgames.com))

Have a go at creating your own phonics game at home, you can find some good ideas here:

[Make Your Own Phonics Games | Scholastic](#)

Communication and Language

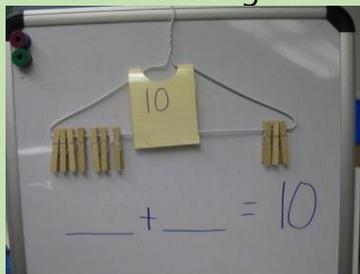

Go for a listening walk. Talk about how to listen very carefully while you're on your walk. Ask your child what sounds they expect to hear. Stop often, and in different places. Close your eyes together. Ask your child what they can hear.

Personal, Social and Emotional Development

Philosophy
[PSHE KS1/KS2: Why should I be good? - BBC Teach](#)
Pause the film at relevant points and discuss:
Is it okay to do naughty things if you can't get caught?
Do you think that doing good things makes you happy?

Maths

We are continuing to focus on number bonds to 10. Can you create your own number hanger?

What number bonds can you find?

Physical Development

Do some target practice with 10 objects (rolled up socks would work well)

How many land in the target area? How many miss? Can you get all 10 in? Make it trickier by standing further away or making the target area smaller...

Understanding of the World

Can you find out all about the Season of Spring? Look for some clues in this video: [Britain in Spring Time | BBC Teach - YouTube](#) or here: [Spotting the Signs of Spring - YouTube](#) You can read all about Spring: [What is Spring? \(topmarks.co.uk\)](#)

Expressive Arts and Design

Could you create some Spring artwork? Did you see the lovely pictures in the story? You may like to include; blossom, lambs, chicks, flowers, insects or your own ideas. Be as creative as you like, you could use resources from home or natural things you find outside.
