

Year 6 Newsletter

May 2024

Last week, the year 6 children completed their SATs tests. We are so proud of how hard they worked and how they gave it their all. The tests are sent away to be marked and the results will be in your child's end of year report.

On Friday, we had a wonderful morning at the beach. Luckily the weather stayed sunny for us! The children played games and lots of children relaxed in the sand! Before this we had bacon rolls or croissants as a treat.

-Children will need a plastic bag this day as we shall be sending their schoolbooks home.

Friday 19th July- Last day at Caister Junior School. On this day, the children can bring in another shirt to have it signed (this must not be the shirt which they are wearing).

-We will also have the end of year water fight on this day. The children will need to bring in their own named water pistol (no sponges, or water balloons please). They will need to wear their normal PE kit on this day (to ensure that their clothes don't turn see through when wet).
